Dear Atwater FFA Supporter,

The current COVID-19 pandemic and its affect with the start of our school year remains a challenge, however we continue to strive forward and prepare ourselves for when we can get back on campus and apply “hands-on” learning and leadership opportunities! We are currently selling ad/support space(s) for our 2020-2021 (11” X 17”) FFA advertising ads and program support recognition. This fundraiser directly supports our agriculture program and FFA through our annual Placemat Ad fundraiser. In addition, your business/organization is recognized as a sponsor/supporter. Last year, we raised over \$6000 through this fundraiser and directly supported over 1200+ individual agriculture students (Over ½ of the entire student body!) at Atwater High School. Some specific examples include:

- (3) FFA Leadership Conferences – 9th, 10th, 11th, and 12th grade students
- Food and supplies for seven monthly FFA chapter meetings (200+ students each meeting)
- Bus transportation to colleges and universities during 2020 spring FFA judging teams
- Department/Class/Program agriculture materials and resources for students
- Facility resources (shop classes, horticulture and school farm)
- Chapter FFA supplies for students / 2020 Chapter Awards Event
- Merced County Fair project supplies and equipment for expanded student engagement

In recognition of your support, we presented and displayed your (company name) support throughout the 2020-2021 school year through our Atwater FFA website (www.AtwaterFFA.org), placemat ads, PowerPoint presentations, meeting & educational brochures, award banquets, and local media outlets.

The Atwater High School agriculture program has been nationally recognized as one of the nation’s “Outstanding Agriculture Programs” and is now the LARGEST high school agriculture / FFA chapter in the NATION! Much of the school’s success can be attributed to the “getting students involved outside the classroom” philosophy. Agriculture education and the FFA has been a primary factor towards the school’s success. 98%+ of the 1200+ agriculture students at Atwater High School are “non-agriculture” background students, and yet, we have some of the most involved and accomplished students in the state and nation. The opportunity our students encompass is directly correlated to our community’s support.

Attached is our 2020-2021 order form and we also have an online payment option available (see attached order form) Please note, your support will be recognized beyond the placemat ads and will directly support student resources and opportunities in the FFA. We appreciate your support!

Sincerely,

Gabriella Moreno

Gabriella Moreno
2020-2021 FFA Chapter President

2020 - 2021

Atwater FFA Placemat Ad Order Form

Directions

Please mark which category you would like to donate in support of the 2020-2021 Atwater High School FFA. **The Federal Tax ID # is 77-0572114 if you wish to use your donation for your tax records.**
