2026 Atwater FFA “Fall Fest XV” Fundraiser

Federal Tax ID # is 77-0572114

Dear Atwater High School Agriculture / FFA Supporter,

September/October 2026

“FALL FEST” IS BACK!

The Atwater High School Agriculture Department and FFA are excited to announce **Atwater FFA Fall Fest XV**, taking place **Saturday, October 10, 2026, from 4:00–8:00 p.m. at Arnold’s Barn**. This annual event brings together our supporters, alumni, parents, community members, and friends for an enjoyable evening while raising funds to directly support Atwater High School Agriculture and FFA students.

Fall Fest XV is an **adults-only event for guests 21 years of age and older** and will feature outdoor seating, hors d’oeuvres, wine, beer, non-alcoholic beverages, and both a **live and silent auction**. Live music will be provided by Atwater High Ag/FFA alumnus **Joseph Kamykowski and his band, Static Fever**. Proceeds from Fall Fest will support Atwater High School Agriculture and FFA **student projects, leadership activities, competitive events, career-development opportunities, and agriculture pathway programs throughout the 2026–2027 school year**.

Advance ticket purchases are highly recommended to help us properly plan and prepare food and refreshments for the evening. Tickets may be purchased online at www.AtwaterFFA.org or by mailing payment along with the completed form below. The deadline for advance online and mail-in ticket purchases is **Friday, October 9, 2026**. For online purchases, your **payment confirmation/receipt will serve as your ticket for entry**. Mail-in ticket purchases may be mailed in advance or held for pickup at the door. **Tickets will also be available for purchase at the door on the evening of the event, while availability permits.**

If you have any questions, please contact the Atwater High School Agriculture Department at **(209) 357-6025** or Dave Gossman at dgossman@muhsd.org.

Thank you for your continued consideration, generosity, and support of Atwater High School Agriculture and FFA. **Your investment helps provide our students with opportunities, experiences, and resources that extend far beyond the classroom.** We hope you will join us for another great evening at **Fall Fest XV!**
